

Project Overview

Egypt, A Land Of Ancient History, Cultural Heritage, And Breathtaking Landscapes, Is A Top Destination For Tourists Worldwide. However, Local Tourism Often Gets Overshadowed By International Visitors, With Many Egyptians Unaware Of The Hidden Gems Within Their Country. This App Aims To Promote Local Tourism By Creating A Seamless Platform For Egyptians To Discover, Explore, And Experience The Diverse Attractions Egypt Has To Offer.

Problem Statement

Despite Egypt's Rich Heritage, Local Tourism Remains Underdeveloped Due To Several Challenges:

- Lack Of Awareness:** Many Locals Are Unaware Of The Variety Of Tourist Attractions Beyond The Well-Known Sites Like The Pyramids Of Giza And The Sphinx.
- Limited Resources:** There Is A Lack Of Reliable Resources For Locals To Find Information On Lesser-Known Destinations, Local Events, And Experiences.
- Accessibility Issues:** Locals Face Difficulties Accessing And Booking Services, Tours, And Experiences Tailored To Their Needs And Budgets.
- Fragmented Information:** Information Is Often Scattered Across Different Platforms, Leading To A Disjointed Experience For Users.

Possible Solution

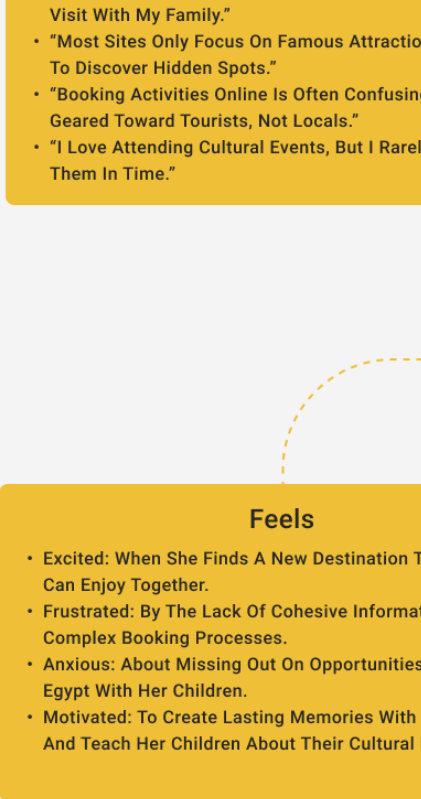

The Proposed App Aims To Address The Identified Challenges Through The Following Features:

- Interactive Map:** A Detailed Map Showcasing Popular And Off-The-Beaten-Path Attractions, Restaurants, And Cultural Sites.
- Personalized Recommendations:** AI-Driven Suggestions Based On User Preferences, Travel History, And Interests.
- Community Content:** A Section For Users To Share Their Experiences, Tips, Photos, And Reviews, Fostering A Local Travel Community.
- Easy Booking System:** Direct Booking Options For Tours, Experiences, And Accommodations Tailored To Locals.
- Local Events Alerts:** Notifications About Nearby Cultural Events, Festivals, And Exhibitions To Keep Users Informed Of What's Happening Around Them.
- Offline Access:** Downloadable Guides And Maps For Users Traveling In Areas With Limited Internet Connectivity.
